University:_____

Working group preferences

All student participants will be assigned to a working group, which will meet virtually during the month before the summer school, carry out a small study project and prepare a presentation on the project to be held at the autumn school. This year's working groups are:

- Working Group 1 – European Values and Borders
- Working Group 2 - Geopolitics and Borders
- Working Group 3 - Migration and Borders in the Context of Border Securitization
- Working Group 4 - Walls, data and surveillance
- Working Group 5 – Discourses and Narratives on Migration in the Context of Border Securitization

You can find more information on the working group topics at www.eettss.eu.
Please indicate your preferences for assignment to a working group below.

Preference 1:_____

Preference 2:_____

Preference 3:_____

Preference 4: _____
